### Biography:

Marcus began his career in student affairs as a traveling consultant for his fraternity, Lambda Chi Alpha, after earning his bachelor's degree. After traveling across the United States visiting over 60 different higher education institutions, Marcus decided to pursue a master's degree in student affairs administration. He later returned to work for his fraternity after receiving his master's degree to spearhead the organization's educational program.

Marcus joined the Illinois Leadership Center (ILC) as an Assistant Director in 2018 where he currently coordinates the marketing and outreach efforts for the ILC and facilitates the CliftonStrengths training. In addition, he coordinates the Imprint i-Program each year and assists with alumni relation for the office.

Outside of the ILC, Marcus is currently pursuing another degree in Human Resource Development. He enjoys spending his time working out, cooking, and spending time with his bossy (yet adorable) cat, Witten.
